Intro G - D - A - A Verse 1 G It's not about the building D А It's not about a show G D It's all about a heart that's willing to go wherever you go G It's not about a feeling D А Cause what do I know G D Didn't you come to show the world What Matters most **Pre-chorus** G Bm Even my best intentions А Can take away attention Bm G А Oh god I don't want to forget Chorus

G D A Bm It was You, It was your love that pulled me in G D A Bm It's still You, Your heart is chasing me time and time again G D I'm always in good hands, You have good plans for me A Bm G I know this to be true, yeah it's You D A it was your love that pulled me in Bm And it pulls me in again

Verse 2

G D А I just want to see you in every single thing G D А I just want to know your mind and be your hands and feet G D А Spend my life serving the least of these G D А It's the least I can do because it's what you did for me

Chorus
